PRESIDENT'S CORNER

It was so wonderful to see members in person during our September and October meetings! I am hopeful that we will continue to meet in person this year. This school year has brought about some unique challenges, and I know many of our teachers are feeling overwhelmed and like they are drowning - myself included. It definitely helps having a place to share these frustrations with others who understand. Teaching is a profession that cannot be done alone, and our members are the best at helping encourage, support, and motivate one another.

Yearbooks have been sent. They were emailed on October 17th and mailed to those without email on October 18th. Please let Lacy know if you did not receive one, or if any further changes need to take place.

We still need hostesses for our March 2022 meeting. Let Lacy know if you are willing to help out.

TREASURER SEARCH

Our wonderful treasurer, Laurie Cummings has decided this will be her last year in office. If you are interested in serving our chapter, please contact Laurie or Lacy Cox. It would be beneficial to start working with Laurie now to learn the ropes and ensure a smooth transition for our chapter.

MEMBERSHIP

We love welcoming new members and welcoming back former members. Please be thinking of any potential members - invite them to our Chinese Auction! Start talking to them about the benefits of membership and how we are the best support group around. For more membership information ask Michele Maniskas or Lacy Cox.
