WELCOME 2022!

It is a new year and time for some changes. This year has been an interesting start to the school year; snow days have kept our weeks short and choppy – making it difficult to settle into a routine.

Your executive board met in December to plan for the spring meetings. It has been decided through a group vote to change our meeting venue site. We will begin meeting at the Olde Dutch restaurant starting February 21st.

Members of your executive board worked the concession stand for the Chieftain Center on January 29th. It was a busy day, and we were able to earn \$431 for our group. We will be working again in February, with additional dates added as they come available.

DATES TO REMEMBER:

- February 21st – meeting at Olde Dutch
Program: Rebecca & Levi Miller's Pacific Trail Adventure
- February 26th – working concessions at Chieftain Center
- March 21st – meeting at Olde Dutch
Program: New Sports Teams at Logan High School
- April ? – meeting details still to be determined
- May 16th – meeting at Olde Dutch
Program: Remembrance, Scholarship Recipients

NEW BADGES

We have decided to update our name badges. Each new badge will be less than \$4 per person. If you joined our group in 2019 or 2020, Alpha Xi will be paying for your new badges. If you are interested in ordering a new badge, please let Lacy know.

Remember there is no such thing as a small act of kindness. Every act creates a ripple with no logical end. --Scott Adams

CONCESSIONS

We had a successful day working the concessions at the Chieftain Center. Seven members of the executive board volunteered their time and earned \$431 for our group. We will be working again February 26th, 9am-6pm. You do not have to work the whole day; we can split the day into shifts. Please let Lacy know if you would be willing to volunteer by February 20th.

Did you miss our October meeting? Would you like to learn more about how to empower the young women in your lives? Our state organization has extended the opportunity to attend a presentation about ROX (Ruling Our eXperiences). Our own Michelle Laux presented in October about how she has implemented this program at Central and Chieftain Elementary with 4th grade students. If you would like to learn more, you can reach out to Michelle or attend the online Zoom session on February 8th at 7:00 pm. For more information about ROX or for the Zoom link, refer to the most recent issue of the Voice.
